

Project Lead the Way Summer Training Institute July 20-August 1, 2008
University of Illinois at Chicago
IED and POE Schedule Overview

A detailed two-week agenda will be distributed at the Institute, but for your preliminary planning purposes, please note the busy schedule outlined below. Note that continental breakfast is provided at the STI classroom suite each morning, lunch and beverages will be provided Monday thru Friday of each week, and dinner is on your own except for the July 31 graduation dinner and possibly one extra evening to be announced.

Sunday, July 20, 2008

10 am -12 noon

-Check-in SEL classroom building (½ block west of the Taylor/Halsted parking garage on Taylor Street) with laptop computer **no later than 12 noon** for software loading—PLTW staff will direct you to the Thomas Beckham Hall three blocks south for housing check in. Parking passes will be provided for those who have requested. (more details will be sent prior to the STI in regard to parking, room locations and orientation session.)

1-5:00 pm

-Lunch and large group orientation activities in the SEL and nearby SEO buildings, with classroom orientation for IED and POE classes.

-Detailed two-week schedule will be distributed at first-day Orientation session. Engineering campus lunchtime mini-tours to be scheduled on some days during the Institute.
