

**Project Lead the Way Summer Training Institute, July 19-31, 2009**  
**University of Illinois at Chicago**  
**DE and POE Schedule Overview**

A detailed two-week agenda will be distributed at the Institute, but for your preliminary planning purposes, please note the busy schedule outlined below. Breakfast and lunch meals will be provided Monday thru Friday of each week at the student center cafeteria and/or catered lunches and breakfasts will be available at the classroom suite. Beverages and snacks will be provided Monday thru Friday of each week. Dinner is on your own except for the July 19 opening lunch and dinner and July 30 graduation dinner. Engineering faculty guests will join us for some luncheon activities and mini-tour options during the Institute.
